Planet Oregon Wines

2016 Pinot Noir • 2015 Chardonnay

\$16.99

750 ml | Save \$3 • No Additional Discounts

We are committed to this planet and our place in it.

We live and work in the agricultural heartland of Oregon, and are responsible for the care of this place and what we are given from it. That is why we grow our grapes in the most sustainable way we can. And when we harvest them, we create wine in a place where we monitor carbon emissions, energy use, and waste production.

In our work, we labor with the earth to create our products. It is our responsibility to give back accordingly. We farm sustainably, harvest with care, and craft with conscience. We support organizations like-minded in their work. That is why proceeds from Planet Oregon go to support the Oregon Environmental Council.

FREY VINEYARDS
(REDWOOD VALLEY, CA)

Organic & Biodynamic, No Sulfite Added Wines

All Blends and Varietals

20% off

Regular Prices • No Additional Discounts

America's first organic and Biodynamic winery ~ Producing award-winning vegan, gluten free wines with no added sulfites since 1980. At Frey Vineyards we combine the best of modern and traditional winemaking methods to showcase distinctive varietal flavors. Through minimal manipulation in the cellar, we allow the wines to express the authentic character of our soils and climate. For over three decades we have been vanguards in crafting wine without added sulfites, a synthetic preservative added to most other wines (even wines made with organically grown grapes!) that can cause adverse allergic reactions in some people.

Our organic and Biodynamic farming methods encourage care for the soil, groundwater, and wildlife, promoting rich biodiversity in the vineyard. Ninety percent of our land is held as unspoiled natural habitat with a diverse mix of native plants and animals. As stewards of the land, we emphasize producing organic and Biodynamic wine of the highest quality while caring for planet and palate alike.

This Week's In-Store Tasting

Friday (4/30)

3 pm - 6 pm

Golden Valley Brewing
McMinnville, OR

We believe in the traditions of fine craftsmanship that add richness & quality to our lives.

At Golden Valley, our craftsmen take the time and care to brew our own beer, make sauces and soups from scratch and house smoke our meats. We utilize fresh Oregon seafood, locally grown produce and our all-natural, dry aged Angus beef raised on our family ranch with spring fed pastures and Golden Valley Brewery grain. Our brewery revives a brewing tradition in McMinnville started in 1878 by Anton Ahrens and W.R. Bachman of Ahrens Brewing Company. We strive to produce handcrafted beers of exceptional balance and complexity for your enjoyment. In 1998 we announced the release of our flagship beer – Red Thistle Ale – in bottles, so our craftsman beers can be enjoyed at home.
