# This Week's In-Store Tasting

## Friday (5/11)

3 pm - 6 pm

2 Towns Ciderhouse  
Corvallis, OR

**Bringing Cider Back to the People.** At 2 Towns Ciderhouse we believe that the long history of cidemaking demands respect and deserves to be done right. Starting with the highest quality, whole ingredients from local farms, we take no shortcuts in crafting our ciders. We refuse to add processed sugars, concentrates or artificial flavors, and instead use slow, cold fermentation methods to allow the fruit to speak for itself. As a family-owned company, we are committed to the growth of our team and enrichment of our communities. We take pride in producing a true Northwest craft cider.

## Saturday (5/12)

2 pm - 5 pm

Eola Hills Wine Cellars  
Corvallis, OR

**Our goal is to make wines that we feel capture the spirit and flavors of Oregon.** In the early 1980s, Oregonian Tom Huggins found himself intrigued by the notion of creating great regional wines in the Willamette Valley. Today, Eola Hills Wine Cellars is one of Oregon's largest wineries, farming nearly 327 acres of prime vineyard land, and producing fine wines that are enjoyed across the country and as far away as China. We're still locally owned and operated, with Tom Huggins as general manager and his daughter, Kylie, on board to take the winery into the next generation.
