Cória Estates is a family owned boutique winery in the south hills of Salem. For 20 years we have specialized in growing wine grapes, and now focus on producing hand crafted Pinot noir, Pinot gris, Rose and Chardonnay.

We aspire to make great wines to be enjoyed with great food around the table. In our family, wine is a symbol of unity, love and hard work. These three elements are threaded throughout the growing of our grapes and into the care of our winemaking.

Our brewhouse features a mash press which uses a series of filters to increase productivity. This unique brewing system allows our creative style to flourish and evolve. Not only is our brewhouse inventive, it is also incredibly efficient. With each batch we save 30% more water than standard breweries and average 98% grain efficiency.
