This Week's In-Store Tastings

Friday (9/14)

3 pm - 6 pm

Ecliptic Brewing
Portland, OR

Ecliptic Brewing is a venture from John Harris, an Oregon craft brewing icon. John's background is one steeped in Oregon's rich craft brewing history, having brewed great beer for McMenamins, Full Sail, and Deschutes where he created the recipes for their flagship ales. The name Ecliptic Brewing unites John's two passions: brewing and astronomy. The ecliptic is earth's yearly path around the sun. We celebrate this journey with beer and food menus in constant change and rotation throughout the year. Our philosophy is to push the limits of creativity in the brewhouse, and create a sense of place in both the restaurant and the beer we build. We hope you join us on our journey together.
