This Week's In-Store Tastings

Thursday (9/20)

4 pm - 6 pm

Finnriver Cider
Chimacum, WA

The Finnriver crew farms and ferments on 80 acres of organic fields and orchard in the Chimacum Valley, along a restored salmon stream on the north Olympic Peninsula of Washington. While our farm is remote, we're honored to be on the forefront of the Pacific Northwest hard cider revival and to craft ciders that both honor historic hard cider traditions and offer fresh perspectives on the possibilities of the fermented apple. We grow and source organic and seasonal ingredients to celebrate the beauty and bounty of the earth. Our mission is to create deep-rooted and fruitful connections to the land we farm and to grow community.

Friday (9/21)

3 pm - 6 pm

La Familia Cider
Salem, OR

From our Familia to yours . . . Our family settled down in the Willamette Valley in the 70's. We spent summers working hard in the strawberry fields chasing our American Dream. Those days were so challenging but at least we had each other. We love Oregon and it will always be our home but we are also very proud of our Mexican roots. Our Ciders began with the original recipes of our mother, Lourdes. She used only quality ingredients, an authentic handmade process and her love of cooking. We use 100% Northwest Apple Juice...no water or artificial flavors added! Our ciders do not go out into the community unless every ounce of cider is perfect!

Saturday (9/22)

2 pm - 5 pm

Agrarian Ales
Eugene, OR

Traditionally Brewed Farmhouse and Sour Ales
Among the various crops on our 25 acre farm are 15 varieties of hops--the only hops we use in all the beer we make. We use exclusively organic malt and specialty grain, much of which is sourced from within a 50 mile radius. We love making kettle sours to capture our fresh farm harvest, and also feature a growing array of barrel-aged and wild fermented beers.
