La Familia
Eugene, OR

From our Familia to yours . . . Our family settled down in the Willamette Valley in the 1970's. We spent our summers working hard in the strawberry fields chasing our American Dream. Those days were challenging but at least we always had each other. We love Oregon and it will forever be our home but we are also very proud of our Mexican roots. Our Ciders began with the original recipes of our mother, Lourdes. She used only quality ingredients, an authentic handmade process and her love of cooking. We use 100% Northwest Apple Juice . . . no water or artificial flavors added. Our ciders are not shipped unless every ounce is perfect!
